

Good Fall to Hoosier HRC. The weather has definitely made a switch and the dogs know it. Many of you have probably already headed out for Early Goose, Teal and Dove hunting. Hopefully all that training you did over the course of the year has made your hunting much more enjoyable..

We have a couple of events left this year as a club.

First, our **FALL HUNT TEST** will be on Oct 1 & 2 at Farmland Conservation Club. We will need your help to make this a success. On Friday, Sept 30th, we will be setting up for the hunt. If you can get to Farmland around noon or really anything prior to about 4 pm, we can really use your help. Then more hands we have, the quicker it goes. Then on Saturday and Sunday, we are starting around 7 am. We will be hosting a banquet on Saturday night. Hoosier will be supplying the food this year, so if you have some game (ducks, geese, pheasant, quail, dove, venison, etc) left over from last year that you would like to donate, that would be great. If you'd rather bring a side dish or dessert, that would be awesome as well. Please contact Jeff Lindskoog (skoogkennels@yahoo.com or 765-860-8593) and let him know what you are going to bring. Also, if you have any items sitting around that you'd like to donate to the raffle, bring those as well. We do have openings in all classes for the hunt test so if you are thinking about running, sign up through <http://huntsecretary.com>.

Next, our **ANNUAL BANQUET** will be on SATURDAY, JANUARY 28th. Location is still being determined, but will likely be in the Indianapolis area. At the banquet, we will recap the year, hand out title awards, and vote on our Board of Directors members. Each year, 5 Board members are voted on. We will also start putting the schedule together for the Indianapolis Boat Sport and Travel Show. This is not only a great time to swap hunting stories, reconnect with Hoosier, but get involved in making the club better. We encourage the whole family to attend the Banquet. More information on the location, timing and cost will be provided as those details are firmed up, but we wanted to let you know early on the date and agenda so you can block it off on your calendars..

I hope to see you at the Fall Hunt Test. If I don't, I hope you have a great and safe hunting season.

Jeff Lindskoog
Hoosier HRC President
